16	Delay Ret			
17	Reverb Ret			
18	Echo Ret			

The P.A.system must be powerful enough to have a SPL of 110db at the F.O.H.

** Equipment supplied by venue

- Minimum of four noise gates
- Minimum of four compressors
- 2 Reverb/Multi FX units and one delay unit
- We use our own drumkit and this drumkit will **NOT** be shared.
- Cabinets can be used by support band.

We don't need any Drumriser

NO wireless microphones , thank you
